PROPOSED DRAWING CHANGE

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Enclosed herewith please find a substitute Figure 1 for the above-referenced patent application in response to the Office Action dated March 4, 2002. Once the changes are approved by the Examiner, and the application allowed, formal drawings will be submitted to the Official Draftsman.

Please cancel original Figs. 1 and 2 and substitute instead new Figure 1. Substitute Figure 1 is original Figs. 1 and 2 combined into a single figure. The Applicant has implemented the suggested changes of paragraph 3 on page 2 of the Office Action dated March 4, 2002.

Substitute Figure 1 does not add new matter and is supported by the specification and drawings as originally filed.

If the Examiner believes that a telephone interview would resolve any issues related to this communication, please feel free to call Applicant's Agent, Michael T. Wallace, at 952-253-4127.

Respectfully submitted,
